

Training Show Schedule
10th July 2022

At WOF dog activity centre, Hundreds Road, Crowlands, PE60LG

This is the opportunity to train your dog in a competition environment. The venue will be set up like a Heelwork to Music competition and each participant will get three turns to work in the ring, split throughout the day. You can use food, toys and other training aids. You will not be judged but the ring will be watched by experienced heelwork to music judges who will offer you feedback on your round if you wish, which will be given to you on leaving the ring.

The show will open at 9:00 with the first routine at 9:30. Running orders will be collected on arrival at the show so arrive in plenty of time in case you are in early! Music should be on CD and will be collected prior to each group starting, and returned as you leave the ring. The show will run according to the running order, except for exceptional circumstances- swapping places with other participants is not permitted. It is your responsibility to be ready when it is your turn. When you are not working a dog, it is appreciated if you can spend some time being an audience for other participants to replicate the show environment.

Rules:

1. Dogs 10 months and over on the day of the show may enter.
2. No harsh handling or punitive methods permitted, in or out of the ring.
3. No moves which could be injurious to the dog can be performed. The feedback judges reserve the right to stop a routine if they feel it is not in the dogs' best interest to continue.
4. Dogs must be kept under control at all times and on lead unless in the ring or warm up ring.
5. No bitches in season allowed to participate

Any persons not following the rules will be asked to leave the show by the show organiser.
